2027-2028 Parent Tax Waiver

Your 2027-28 Free Application for Federal Student Aid (FAFSA) indicates that you did not file a federal income tax return for 2025. In order to verify this information and complete your financial aid file, we are in need of this tax waiver as well as any 2025 W-2 forms you may have. The purpose of this form is to verify that you did not and are not required to file a federal income tax return for 2025 and to verify your 2025 sources of income (if any).

Please review the chart below or IRS Publication 501 at www.irs.gov to verify that you were not required to file taxes. For most cases, if your earned income for 2025 was more than the amount listed below based upon your filing status, we cannot accept this form and you must file 2025 Federal Taxes.
